In Re: PG&E CORPORATION and PACIFIC GAS AND ELECTRIC COMPANY, Debtors
Bankruptcy Case No. 19-30088 (DM), Chapter 11
Creditor: Wm. F. Weidman, III's Proof of Claim (Assigned No. 10281)

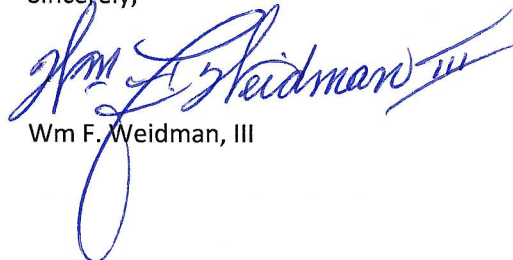

Honorable Dennis Montali:

This Court graciously granted me an extension until November 3, 2021 to file my Motion for Reconsideration pursuant to the Order Disallowing Proof of Claim #10281 filed by William F. Weidman, III and entered October 6, 2021.

I have been diligently working on that Motion but shortly after receiving notice of the requested extension, my computer malfunctioned and I have been unable to do what is needed or use my computer (see copy of email received from HP Service Support). This issue with my computer has been going on for over a week and I have been working with HP Service Support on a daily basis to resolve the problem.

In light of this computer malfunction, I respectfully request a second seven day extension of time to file my Motion for Reconsideration in order to finish compiling all documentation necessary to prepare said Motion.

Sincerely,

Wm F. Weidman, III
